The School Principal,

Sub: Proposal and request to accord the permission to conduct IMOF- Olympiads – State / National level in
all your prestigious branches – widely in India

Dear Sir/mam,

With reference to the above-mentioned subject cited, all techno, e-techno, Olympiads, IIT & concept schools are aware of the cyber/scientific developments in the recent era.

The current education system is absolutely warranted the situation in advanced intelligence system. So, please accord the permission to have a talent- network system to innovate the brains of the pupil's popularity by participating into "**Innovative Minds**" Olympiads – State \ National –level conducted by us, one of the preciously organizations which is registered & affiliated with **Govt. of India** and honored by many educationist from different universities of India.

We need your kind consideration to develop the education system in competitive path and prove the pupils of our state are leading in delivering quality educational system and standard education.

For class: I, II, III, IV, V, VI, VII, VIII, IX, X, XI, XII – based on academic syllabus with 50 multiple bits (no negative marks) + general questions.

If you have any queries, please do not hesitate to contact us

Thanks for assuring us the best.

With Regards

B. Arun Kumar
